WEDNESDAY EVENING, APRIL 23.

VIRTUES OF OATMEAL. - Oatmeal, says the Edinburgh, Medical Journal, according to Moore's Rural New Yorker, is rapidly growing in favor on the other side of the Atlantic. According to a contributor to our cotemporary, it is made into delicious breakfast cakes, cracknel (very palatable), cocoanut cracknels (also pleasant to the taste), and piecrusts which are sweet and erisp. But we are informed by the same authority that in its raw state, when it is mixed up with water, it is becoming a favorite dish. The brose of "Auld Scotland" is being relished -and we are glad to note this, because we believe it to be a healthy and muscle-forming commodity by the hunters and trappers of the West, who are substituting oatmeal in this form for parched and Indian corn. The same brawny fellows-whose powers of endurance are proverbial, whose scorn of fatigue is known to all readers of travel and natural history-have found out that a very acceptable drink is made by putting about two teaspoonfuls of oatmeal into a tumbler of water. We have often established the excellence of this ourselves. This, they-the hunters and trappers-aver to be the best drink they can use, as it is at once nourishing, unstimulating and satisfying." The drink, we are also assured, is rapidly coming into use ia large establishments where men work much in the heat. It has long been used in the large glass factories and iron foundries of Europe, and is coming into use in our own county. It is common to find it in the large Government works. In the Brooklyn Navy Yard it is a great favorite-two and a half pounds of oatmeal being put into pail of moderated cool water. It is said to be better than any of the drinks made up with vinegar, molasses, &c., which farmers use in the harvest field.

Alexandria Streets Cars! LOWERING THE CORNER OF KING

AND FAIRFAX STREETS.

In grading King street for the new railroad the corner of King and Fairfax streets will have to be sunk lower than any other point—probably about ten feet. But, however low you may sink the corner, Mr. BLONDHEIM is prepared to sell his goods lower still. He bought his goods with full knowledge of how things were going down in Alexandria, and is selling now at lower

prices than any other house in the city.

In fact to be prepared for the worst he has laid in a supply of CHINESE GOODS, and engaged the services of AH SIN, Esq., so that he can begin a lively business at reduced prices the mo-ment he comes out on the other side. As he ex-p-cts to begin his through trip sometime very soon, he begs you all to call, and if you do not buy, at least wish him a kind FAREWELL.

Look to your Interest!

At this most unprecedented money stringency in our commercial metropolis and correspondingly dull times most all over the country, it well for each and every individual to look to his interest. By paying our enterprising Cloth-furnish the finest masts and ship timber. The iers, I. Schwartz & Co., at Sarepta Clothing Hall, a visit, you can save at least 20 per cent in buying your garments there; besides the extraordinary advantage of having a variety of styles and patterns to select from, immense in quantity and far superior in quality to any others in this city. They say they will sell remarkably cheap, and, as is generally known, they mean what they say. You will do well to call early at 89 King street, Sarepta Clothing Hall. ap 12

SALE OF VALUABLE
VIRGINIA LANDS.
By virtue of a decree of the County Court of Loudoun, made in the chancery suit of Hopkins, Hull & Co. vs. Berkley, the undersigned, com-

missioners of sale, will offer at public auction, in front of the Court Honse, in Leesburg, Loudoun county, Va., on MONDAY, March 17th, 1873, the following REAL ESTATE, viz:

A VALUABLE TRACT OF TIMBER LAND, containing 408 acres, in Prince Willers, and the lands of Edmund. liam county, adjoining the lands of Edmund Berkeley, Ewell, Bayley and others, about six miles from Thoroughiare station, on the O., A. & M. R. R., and four miles from Aldie, on the Piedmont and Potomac Railroad-over tirm roads of easy grade. This land is heavily tim-bered with chestnut, hickory and oak, and has upon it a vein of rich iron ore, running through

its entire length.
Also the ONE UNDIVIDED HALF of one of the most valuable and productive estates in Virginia, known as "GOOSE POND," lying on the south bank of the Mattaponi river, in Caroline county, containing 1950 acres, of which about 950 is timber of original growth, and the rest productive, arable land, under cultivation. The timber consists of the varieties of oak, pine, walnut and hickory, and is considered by good judges equal to any body of timber land in the State. An experienced timber getter estimates the value of the hickory alone, for spokes, at double its assessed value. The pine and cak telligent and liberal agriculturists, and until the war, with extraordinary remunerative results. The estate was somewhat neglected during the war, and the owners have not had the means since of restoring it to its former productiveness. Two hundred acres of this land have been cropped continuously for nearly a century, and will now produce from 50 to 75 bushels of corn to the acre. Marl is abundant on the place, and has been liberally applied. The Mattaponi is a beautiful stream; its navigation was obstructed during the war, but at a slight expense it can be made navigable for vessels of 100 tons to the landing on the estate. "Goose Pond" adjoins the famous Corbin estate, "The Reeds," and also "Hays," the justly celebrated estate of Major Wm. N. Berkeley, separated from "Goose Pond" only by the Mattaponi river. The other half of "Goose Pond" is held for sale by General Eppa Hunton, of Warrenton, who will unite in

the sale of the whole tract.
"HAYS," containing 1650 acres, will be offered for sale at the same time, by B. P. Noland,
Trustee, under a deed of trust from Maj. Berke-These two estates forming a compact body ley. These two estates forming a compact body of about 3600 acres of splendid land, offer the most desirable location in Virginia for a colony. The attention of capitalists, of agriculturalists and dealers in timber and lumber is invited to

these lands. None more desirable, in quality or prices, are now in market. Terms of Sale: So much of the purchasemoney to be paid in cash on the day of sale as will pay the costs of suit and expenses of sale; the residue upon a credit of one, two, three and four years, in equal instalments, bearing interest from the day of sale; the purchaser to execute his bonds for the deferred instalments, and the title to be retained till the purchase money is all paid.

MATTHEW HARRISON,

B. P. NOLAND, POWELL HARRISON, J. H. ALEXANDER, Commissioners of Sale.

BY AUTHORITY OF A DEED OF TRUST, dated the — day of —, and with the full consent of the present owner, Major W. N. Berkeley, I will offer, at the same time and place, and upon the same terms as the above, that splendid estate, in King William county, the same terms as the special contains the same terms as the same terms are the same terms as the same terms as the same terms as the same terms are the same terms as the same terms are t known as "HAYS," containing 1650 acres, ad-joining "Geose Pone," the Mattaponi river be-ing the dividing line. The timber upon this estate is of the same quality as that on "Goose Pond," and the arable land of the same fertile character. It has been managed since the war better than Goose Pond, and is consequently now in better condition, and produces heavy crops of grain, tobacco and clover. The DWEL-LING HOUSE and out-buildings are complete

and in good condition.

B. P. NOLAND, Trustee. Loudoun county, feb 17-ts The sale of the above property has been adjourned until MONDAY, the 12th day of

May, 1873, Court day.
W. B. NOLAND, Auct'r. COMMISSIONERS' SALE OF REAL ES-TATE.—By virtue of a decree of the County Court of Loudoun, made at the August term, 1872, in the case of Hopkins, Hull & Co. vs. Berkeleys, the undersigned, commissioners of sale, will sell to the highest bidder, in front of the Court House, in Leesburg, Va., on MON-DAY, May 12th, 1873, TWO VALUABLE TRACTS OF LAND, of which Charles F.

Berkeley died seized and possessed, viz:
1st. "ENDFIELD," situated on the edge Prince William county, 3 miles southeast of Aldie, containing about 265 acres of unusually fine timber land—mostly chesnut. About the same quantity of land was recently sold off of "End-field," to Mr. Letterman, of Baltimore, who now

owns it. There is a steam saw mill near this tract, which makes the timber very valuable.

2. A BEAUTIFUL FARM, in Caroline county, known as "REDCLYFFE," containing 5474 acres. This farm lies on the Pamonkey river, 2 miles from Hanover Court House, a depot on the Chesapeake and Ohio Railroad—and adjoins "North Wales," the splendid estate of the late Williams Carter. The neighborhood is a desirable one; the land is of good quality and easily cultivated. The DWELLING is large and well arranged, with fine lawn, garden and orchard, and is altogether a most beautiful

and desirable farm.

Terms of Sale: So much of the purchase money to be paid in cash on the day of sale as will pay the costs of suit and expenses of sale; the from the day of sale; the purchaser to execute his bonds for the deferred instalments, and the ap 2-w4w D.
